## Some suggestions on how to use our wish lists:

Have a “drive.” Make up flyers with the important information, such as what you are collecting, when the drive will end, where the container for collection is located, and, of course, for whom you are collecting. You can use the entire list or break it down into a particular category such as paper goods, toys, hygiene products, etc. We have broken this list down into specific categories and can e-mail you copies of these lists if you wish.

Have a party! Have the price of admission be an item from the Wish List. Again, use the entire list or break it down into categories.

“Adopt” us! Each month, or every other month, or twice a year – whatever you decide – bring items from a specific category. Example: April could be hygiene products month, June could be paper goods month, August could be school supplies month, etc.

We would also like to suggest “Birthday Boxes.” These are birthday parties in a box. Fill them with cake mix, frosting, candles, wrapping paper, party paper goods, perhaps even a party game (e.g., pin the tail on the donkey.)

Our foster care agency would like to send infant/toddler “to go” totes home with families who receive an emergency placement. You can put together bags with diapers, wipes, baby food, formula, blanket, a change of clothes (gender neutral), etc.

We are always happy to accept whatever it is that your heart leads you to give to us. We are always able to accept new or very gently used children’s items at our Shelter. We are also happy to have you donate any adult clothing or small household appliances in one of our many donation homes placed in parking lots valley wide. For a list of locations, please visit our website, [www.ChildCrisis.org](http://www.ChildCrisis.org).

Thank you for your willingness to help us! If we can be of any help to you or answer any questions, please do not hesitate to call!!
